

LIFE ALONG PEARL RIVER

By HENRY OTIS Phone 2864

Sympathy is extended to the family of Roy Baxter, of Logansport, who died Sunday night. He will be remembered for his interest in his church and community activities. "Mr. Roy," as he was affectionately called by so many, was a friend to all. We will always remember him walking down the street each day to the post office, pausing with a kind word for each person he met. Our community is a better one for the privilege of having such a fine Christian gentleman living here for 71 of his 78 years.

Visiting to the home of Mr. and Mrs. Willard Haver of Napoleon Community Sunday were Mr. and Mrs. Jack Whitney of Bay St. Louis, parents of Mrs. Haver, and Rev. and Mrs. Wayne Stockstill and son of Napoleon.

Mr. Stanley Strahan left Sunday for St. Louis, Mo., to join the Mississippi River towboat on which he is employed. Gerson in their home Sunday were her daughter and son-in-law, Mr. and Mrs. Charles Moran of Jackson, and her daughter-in-law, Mrs. James Strahan and family of St. Louis.

Mr. and Mrs. Lamar Otis, their son, Henry, and granddaughter, Carolyn, attended the Senior Class play at North Central School Friday night. Carolyn's guest was Kathleen Moran of Bay St. Louis.

The recently organized M.Y.F. of the Logansport-Pearlington Methodist Churches met Sunday night at the Logansport Church with 11 members present. Danny Mitchell read the Scripture lesson, and the Rev. Kermit Rouse led in prayer. Various activities of the M.Y.F. were discussed. It is hoped that some of the members will attend the M.Y.F. camp above Brookhaven this summer. Next meeting will be at the Pearlington Church at 7 o'clock Sunday night. Following the meeting, they went to the home of Mr. and Mrs. Lamar Otis for refreshments.

The regular meeting of the Logansport P-T-A was Tuesday night. Plans for graduation were made and social activities discussed. Graduation will be held Thursday night, May 18, in the school gym.

A bridal shower was given at Bosco's Restaurant in St. Louis honoring Miss Jackie Deyo, bride-elect of Leroy Blackman of Logansport, Tuesday night, with around 40 present. Those attending from Logansport included Mesdames Arnold Carver, C. J. Wynne, Stanley Strahan, L. G. Blackman, Lillie Belle Wright, and Miss Annie Summers.

MRS WAFFORD HUMPHRIES MERRELL, Jr. Couple Exchange Vows In St. Louis Cathedral

Historic St. Louis Cathedral in New Orleans was the setting last Sunday for the wedding of Miss Marie Alberta Soucier, daughter of Mrs. Foley Soucier and Luke Vordaman Soucier of Pearl River, La., and Dr. Wafford Humphries Merrell, Jr., of New Orleans and Jackson, Miss.

Tall baskets of white stock, gladioli and similar formed a background for the couple as they exchanged their vows before Rev. Albert Sidney Foley, S. J., a maternal uncle of the bride.

Escorted by her brother, Albert Pierre Soucier of Pearl River, the bride wore a formal length gown of pure white satin. The dress featured a vee neckline on the fitted bodice and long sleeves ending at the wrists in points. The back also had a vee neckline and the long skirt ended in a cathedral train. Graduated roses of pearl de sole trimmed the back of the vestments. Her fingertip veil of French illusion was attached to a pearl tiara and she carried a bouquet of white gladioli and orchids.

Miss Margaret Ann Merrell of Jackson, a sister of the groom, was the maid of honor and the bridesmaids were the Misses Judith Ann Foley of Houston, Texas, a cousin, and Miss Nancy Foley of New Orleans. They wore clear blue gowns fashioned similar to that of the bride but with short sleeves. A cluster of veiling of matching blue framed their headpieces and long white gloves and bouquets of white gladioli completed their attire.

The father of the groom was the best man and the groomsmen were Dr. Charles Edouard Cook, Shreveport, La., and Dr. Jasper Bernard Becker, New Orleans. Ushering was John Edward Ainsworth of Jackson. The reception was at the Napoleon Avenue home of the bride's great aunt, Mrs. William Foley and the Misses Waver. Decorations similar to those used in the church adorned the reception room. The young couple and members of the bridal party received with their mothers before a gift dinner.

Bible Comment: Medieval Workers Did Not Forget Beasts of Burden

An unusual sight, the heads of stone oxen, greet the visitor to the medieval cathedral in Laon, France.

Although the oxen were placed on the towers 800 years ago when the church was built, they bear a lesson for us today.

In many ways the man of the middle ages was similar to the man of today. Although he was devoted to God he had his failings. He was capable of great cruelty as well as reaches of creativity that made it seem that he was inspired by the Divine.

The scholar Henry Adams has described his work on stained glass this way. Although he had little precedent for his work, he created pieces of art of high beauty—dedicated to the glory of God.

But if he was cruel and arrogant, he was humble as well. This is where the oxen on the ancient spires of Lyon cathedral become important.

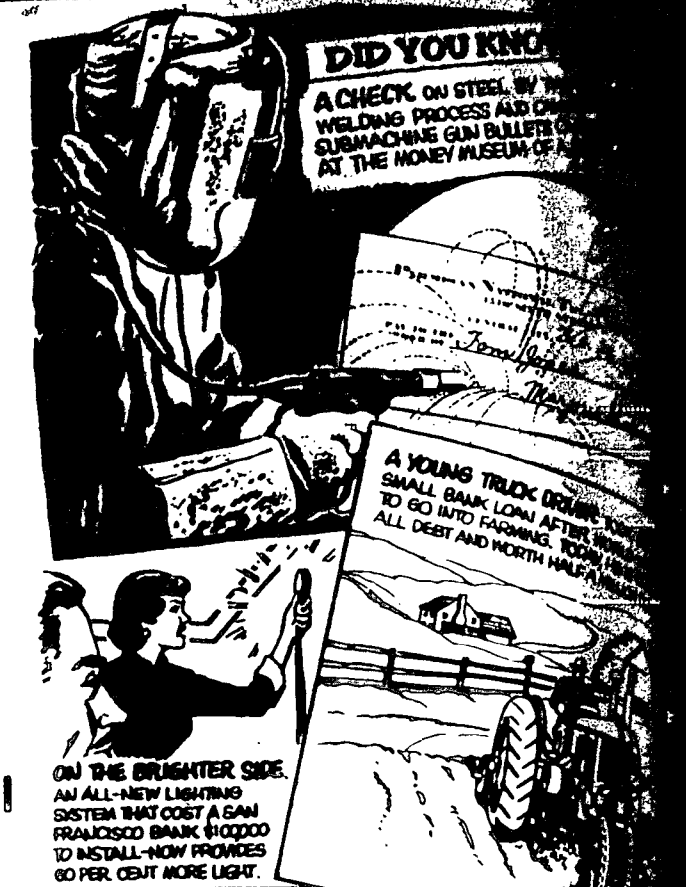

To the mind of the medieval craftsman, all the creatures on earth were devoted to the service of God. The cathedral required years of toil on the part of many laborers, masons, carpenters and stonecutters of the community, for everyone gave their time to help in the construction.

Not to be forgotten were the dumb oxen that labored up the steep hill, dragging stone from the quarries to the site of the cathedral. They, too, served God. And they, too, are memorialized on the soaring testimony to the creator of all things of heaven and earth.

A wonderful old-fashioned storm is what happens to the other fellow.

RE-ELECT YOUR PRESENT CITY ADMINISTRATION

J. CYRIL GLOVER JOHN A. SCAFIDE WARREN E. TRAUB

It is a universally accepted fact that you can best judge what a man will do in the future by examining and considering what he has done in the past.

Your present Mayor and Commission Council have, during the past four years, worked together harmoniously as a team to provide you, the taxpayers and citizens of our City, with a sound business-like administration.

We submit our **PAST RECORD** as a guarantee that we will continue to work aggressively and with tenacity for the progress and development of our community in the future.

We submit for your consideration the following **FACTS**: Financially your City is now and has been for the **PAST TWELVE YEARS**, as sound as the proverbial silver dollar - having operated year after year within the annual budget and on a cash basis.

Bond maturities and interest have been paid off promptly and on schedule, resulting in a priority **CREDIT RATING OF A-1**.

THE TOTAL GENERAL BONDED INDEBTEDNESS of our City today is \$53,000 - one of the lowest in the entire State.

City Employees' wages and salaries have been raised approximately 26% during the past four years. School teachers' salaries have been increased.

Tax wise, our City enjoys an enviable position among the municipalities of the entire State. In 1953 the total millage levy including the School levy, was 35 mills. Today it is 36 1/4 mills. The 1 1/4 mill increase was overwhelmingly approved by the voters of our municipal separate school district for building the new North Bay Elementary School and Additions to the Valera C. Jones School and Waveland School.

We urge your careful consideration of these **FACTS** about our financial condition and tax structure. These accomplishments were not accidents - they are the results of careful planning thru teamwork and cooperation by both your commission council and a dedicated and capable School Board.

Next Week we will submit more of the **RECORD OF ACCOMPLISHMENTS** of a **PROVEN - PROGRESSIVE AND EFFICIENT ADMINISTRATION**.

FOR CONTINUED PROGRESS
Support and Re-Elect - John A. Scafide, Mayor - J. Cyril Glover, Commissioner and Warren E. Traub, Councilman

Welly Peers At Waveland

Feeling even less inspired than usual and consequently more than a little desperate for a beginning, for this weeks column your reporter decided to check the Advocate of April 19, '60. . . .

We have welcomed a number of new families on permanent residents, Beattie Haverty's plants have grown like made all of the children in town! All on the credit side of the ledger to now for a few minor debts — due no doubt to the continuing rain, our beach has shrunk alarmingly, and breaking pot-holes are once more springing up all over the streets — and several more signs have disappeared. . . .

Sick Notes
Hope you're feeling better soon — Henry Davelle. Henry has such a terrific case of laryngitis that when he answered the phone Monday night your reporter said, and quote "Is your daddy at home?" he replied "I am my daddy." He was able to communicate enough to stress the fact that the Holy Name Society is sponsoring a dance to be held Saturday night at St. Clare's Parish Hall. . . .

PUPILS VISIT SHIRINE — Third and fourth grade pupils of the Waveland Center are shown as they visited the Jefferson Davis Home and Shrine near Biloxi last week. They were accompanied by Mrs. E. Necolas Mazarakis and Miss Mary Pettas. This was one of a series of field trips being taken by students in Bay St. Louis Municipal Separate School District Schools sponsored by Superintendent Joseph D. McCutcheon and the Bay Central Parent-Teacher Assn. (Photo by Foyard)

Marriage licenses of local interest issued this week by Circuit Clerk Lamar Otis were to Eduardo Guido of New Orleans and Elaine Loraine Lytell and Harry J. Bergerson and Mrs. Evelyn Perrone Bergeron.

MRS. GERALD EUGENE ASHER Married in New Orleans

The Rev. John J. Vaughan, pastor of St. Alphonsus Church in New Orleans, performed the double ring ceremony April 8 uniting in marriage Miss Margie Theresa Legendre, daughter of Mr. and Mrs. Anthony V. Legendre, of that city, and Gerald Eugene Asher, son of Mr. and Mrs. John Joseph Asher.

The altar was adorned with arrangements of white lilies and baskets of the same flowers were placed at intervals along the communion rail.

Escorted by her father, the bride wore a gown of Chantilly lace and tulle. The lace bodice was sprinkled with pearl sequins and bugle beads and had very short caplet sleeves. The bouffant skirt was also trimmed with beads and sequins and was finished in accordion pleated tulle. A lace cap held her veil and lace gloves and a bouquet of white roses and orchids completed her attire.

Mrs. R. Smith, the brides sister, was matron of honor and Miss Patsy Fahey maid of honor. Bridesmaids were the Misses Elvita Grate of Memphis, Tenn., Nancy Montecino, Sally Legendre, Darlene Laine, Mae Rose McGovern, all of New Orleans, and Peggy Bishop of Mississippi City.

Their frocks, each a different pastel tone, were of lace and silk organza with taffeta underskirts. They wore flat bows and veiling in their hair, lace gloves and carried pastel bouquets.

Jeffrey Schultze and ushers were Morris Asher of Waveland, John Chastant, Anthony Legendre, Raymond Acolin, Dennis Legendre, Roy Adams, Claude and Harry Montecino, Laurence Adams, all of New Orleans and John Adams of Dover, Del.

A downtown center was the setting for the reception where white flowers and greenery were used in decoration.

Mrs. Asher received in a lilac two piece ensemble with white accessories while Mrs. Legendre was in beige lace worn over brown taffeta and matching accessories. Their flowers were lavender orchids.

The bride traveled in a powder blue suit trimmed in navy and wore an orchid on her honeymoon trip to Pensacola, Fla. She

is at home with her parents until she joins Mr. Asher at Seward Air Force Base, Tenn.

Bilbo-Stolz Wed Saturday

White lilies and fern adorned the altar of Our Lady of the Gulf Catholic Church on Saturday April 8, for the wedding of Miss Geraldine Bilbo, daughter of Mrs. William E. Bilbo and the late Mr. Bilbo, and Thomas P. Stolz, son of Mr. and Mrs. Thomas E. Stolz of Lincoln, Ill.

The Rt. Rev. Martin Molony, pastor, performed the double ring ceremony before a large gathering of friends and relatives.

The bride was given in marriage by her brother, Larry Bilbo, and wore a floor length gown of imported white silk organza over taffeta. The dress was sprinkled with appliques of Chantilly lace trimmed with iridescent and seed pearls. She wore a tulle of matching lace similarly trimmed to hold her veil. Her bouquet was of white feathered carnations backed with maline and accented with white satin ribbons.

Her sister, Miss Jewel Bilbo, was the maid of honor and the bridesmaids were the Misses Azelle Favre and Elizabeth Stolz, the groom's sister.

Their frocks were of misty green silk organza over matching taffeta fashioned with full skirts and rounded necklines. In their hair, they wore bands of taffeta and green veiling. Matching slips and green bouquets of white carnations completed their attire.

Frederick L. Willis was the best man and the groomsmen were James G. McCollum and Walter A. Keown. The ushers were Richard L. Morris and Steven Reichelt. All are stationed at Keesler Air Force Base.

Errors Costly in Stanislaus Loss

Costly errors cost St. Stanislaus a baseball game Friday night in Ingalls Field at Pascagoula, the Pascagoula Panthers beating the Rocks 15-4 in a District Eight A-AA game.

The Rocks gathered four hits to seven for the Panthers. Hewes went all the way for Stanislaus on the mound while Pascagoula had to call on three pitchers, Brown, Campbell and Kinchess.

Pascagoula opened their scoring with one run in the second inning and added three in the third. The Rocks rallied in the fourth when Rimmer, Larroux and Dedens crossed the plate to come within striking distance of the Panthers but the winners put over four more tallies in the fourth, three in the fifth and four in the sixth. The Rocks added one more in the top of the seventh and final frame.

Shoulda Gone Fishin' Godwin, Blaize Star In Victory

BY EDWIE ENGELHORN

There are real quiet on the fishing front mostly because of the weather but there should be a big improvement before the weather continues. Best fishing we heard of during the week was up the Jordan River where some fine catches of bream and bass were made according to Lucien Favre of the La Siesta fishing club. He says some strings of more than 100 were brought back by him. He says his special brand of red worms. Says his supply gave out during the weekend but is expecting another shipment shortly and will have all you can use this weekend. Water is excellent up the river for perch and green trout Favre allows.

Complainers Take Note

A meeting of sportsmen on the Coast is scheduled for 7:30 p.m. at the 19 Game Warden Nolan Lachner announced. This will be a preliminary meeting leading up to the public hearing for setting hunting season and bag limits for 1961-62. The state meeting is scheduled for 10 a.m. May 10 in the Woolfolk State Office Building at Jackson. Members of sportsmen's clubs and anyone interested in conservation and other phases of hunting and fishing should attend the meeting to attend the Jackson meeting and present views and recommendations pertinent to the Gulf Coast area.

Turkeys and Hookers

James Seals of the Casahuate community bagged a 19-3/4 pound turkey during the first half of the split season and it was a beauty with a 9 3/4 inch beard. That's a pretty good beard but really nothing to compare with the one our pressman, Tony Mami, grows some-where.

Nolan reports that fresh water fishing in White's Bayou continues good. He checked one party who turned out to be a Gulfport fisherman, J. D. Hooker and his two sons, who had a beautiful catch of blue-eyes. Hooker? How could they go wrong?

Softball, Safety and Water

Still some time before the softball and baseball seasons open here, but fans are being treated to some fine practice games Sundays at the City diamond. Last Sunday a team sponsored by Ray Jones beat the City champs in the women's league 11-4. The girls haven't rounded their chops yet but it was a good game regardless. Winning pitcher was Lynn Kennedy while Bernadette Lynn and Joyce Garcia led the mound for the losers.

The Mississippi Safety Council is concerned over the growing number of boating accidents and fatalities and President Otto R. Smith asks that everyone observe the "rules of the road". The wear of life jackets by all is especially urged. A life jacket on the floor of the boat when it capsize might as well have been left on shore, he says.

Tommy Godwin and Glen Blaize were two of three double winners as Bay High took top honors in a four-way track and field meet Friday afternoon at Perkinston Junior College.

The Tigers chalked up 65 points, Perkinston 44, Pass Christian 18 and Wiggins 17. Blaize won the high jump and pole vault while Godwin took the shot put and discus throw.

In other events Godwin took second place in the 120-yard hurdles, LaFrance was second in the 180-yard hurdles, Conley won the 100-yard dash in 10.9, sec. Peterson ran second in the mile run, Carroll third in the 440-yard dash, Usher second in the 880-yard run and Godwin took third in the broad jump.

Godwin put the shot 40' 8" and threw the discus 99' 8". Blaize chalked up 4' 9" in the high jump and 8' 6" in the pole vault.

Post 139 Sponsors New Baseball Team

For the first time local youths will participate in the annual American Legion Junior Baseball League this year. Buddy Pitolo, chairman, announced.

Clemens R. Bonemore Post 139 has received approval to sponsor a team and Pitolo asks that boys in the tenth, eleventh and twelfth grades and born on or after Jan. 1, 1943, report for try-outs at 10 a.m. May 7 at the field in the rear of St. Stanislaus College.

American Legion Junior Baseball is nationally recognized and the championship games create almost as much interest as world series games, a spokesman said. It is supervised by directors and qualified coaches and many big league stars got their start in Legion competition.

Jones, Matthews Score for Rocks

St. Stanislaus' thirteens took second place among the Mississippi entrants in the annual Blount Relays Saturday but Florida and Alabama boys took first place in all 17 events. Gale-like winds and heavy rains caused adverse conditions especially Saturday.

McGill of Mobile won high team honors with 62 1/2 points; Escambia County of Pensacola, Fla., and Pensacola High tied for second with 56 points each. Murphy High of Mobile, 37; Vigor of Prichard, Ala., 35 1/2; Blount, 31; St. Stanislaus, 19; Hattiesburg, 15; Moss Point six and Pascagoula five.

Stanislaus boys winning points were Golden Jones, fourth in the 100-yard dash and Matthews who ran third in the junior 100-yard dash.

best casters, he advises that for casting distances under 100 feet a light reel should be used and for more than 100 feet a heavier one.

A light, fast reel is easier to handle and affords more sport but for best results the rod should be chosen to fit the lure. For a 1/4 ounce lure use a 6 1/4 foot rod; 1/3 ounce, a six-foot rod; 1/2 ounce, 5 1/2 foot rod and for a 5/8 ounce lure a five foot rod. And to really get the best results use 7 1/2 to 10 pound test line for 1/4 ounce lures; 10 to 14 pound test for 1/2 ounce lures and 14 to 18 pound test for 5/8 ounce.

This week's pink ribbon goes to Carl Michlein of Bridgeport, Conn., who says that while battling a 20-pound striped bass he lost his \$100 false teeth in the water but recovered them an hour later in the stomach of a 42-pound haddock. The story appeared in the Bridgeport (Conn.) Sunday Herald.

The original plugs were crude affairs and trout soon learned to spot the artificial from natural bait but a couple of anglers, Ozark Ripley and Sheridan Jones produced a longer, lighter rod with smaller lighter lures. Then Charlie Fox of Carlisle, Penn., came up with a longer, lighter rod, a fast reel and lighter lures and bait. Still one of this country's

Mrs. Ross is busy competing in the Mississippi State Women's Golf Assn. 26th annual tournament at Pass Christian Isles Golf Club while Mr. Ross is recuperating from the 18 holes he got in Sunday. Despite 21 puns on the frontside Mrs. John McDonald tied for third spot in the qualifying round while Miss Mary Mills of Mississippi College, winner for the last seven years, was medalist. One girl had a bit of trouble on No. 7 hole, the water hole, lobbing in seven balls before clearing the pond. We are sure she must be from the dry part of the state.

Rods and Reels

We were interested to find out that the first bait-casting reel was made in 1885 by a watchmaker named George Snyder in Paris Kentucky. He got the idea when he noted some fine trout just out of reach of his fly line. After he started using the reel on a short rod with natural bait other anglers became interested and Snyder made a few for his friends. Then other craftsmen began making and selling them. This went on for about 100 years until someone carved a piece of

2 Yanks Leaders In Unit

Attention Mississippi Greys volunteers: check the color of your civil war centennial uniforms when they arrive for your quartermaster is a Yankee.

In fact, so is the number two man of the Hancock Rebel Company C unit. They are Ray Prosser, quartermaster, and Al Summy, assistant commander. Both men are originally from above the Mason-Dixie line.

Summy moved to Mississippi 10 years ago from Waterloo, Ia., and his great-grandfather fought with the Union forces but he made the move after attending the Navy quartermaster school in Gulfport during World War II. How does he feel about being the number two man with the centennial Confederate unit? It's a "democratic" actually, he notes, adding that during the Bay St. Louis centennial pageant he played the role of Jeff Davis.

Prosser is originally from Mt. Angel, Ore., but has lived here 20 years. He too moved to Mississippi after having been assigned in the south four years during his military service. Prosser commented that while Oregon is north of the Mason-Dixie line his state may or may not be considered a "Yankee" state since, he claims, it sent troops to fight with the Confederacy during the civil war.

Summy and Prosser report there is considerable interest in the Hancock County civil war unit, now being formed to participate in the four year centennial.

Quartermaster Prosser announced that measurements for uniforms are now being taken by Freddie Fayard at Engman's Dept. Store and by Myron Smith at Ramsey's Dept. Store. The application forms are available at the two stores.

Prosser said the sooner the men fill in these applications the sooner the initial order can be sent to Jackson. While the uniforms cost \$21.90, each individual needs to fork over only \$10.90. The balance will be paid by the county civil war centennial Committee.
